**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been stuck with slow DSL since 1988.

It is imperative that smaller internet providers have the means to compete with the bigger companies. All this work to provide fiber cables will happen more quickly with all possible carriers doing the work.

In addition, future internet carrier rates will hopefully be more competitive!

Since streaming will be the new preferred way of finding programming as well as home and business shopping and bill paying, let's make this effort the best possible for all consumers.
